

Vintage Wood Ground 331

Primer and base coat for creating a light wood foundation for vintage finish applications on interior wood surfaces.

For the colored design of interior wall and wood surfaces. Wooden furniture with a vintage look? With our "Vintage Wood Ground", "Pigment Concentrate" and "Vintage Finish" products, you have the perfect combination of products to give your wooden project the particular vintage look you want. To achieve the special look sand the wood first and apply with Vintage Wood Ground using pigment concentrate(s) depending on the desired colour. A second coat with Vintage Finish will create a protective film.
