

Furniture Polish 910

Care oil for oiled, waxed and lacquered furniture indoors. Wiped on thin with a soft cloth, it soaks into the finish and leaves it water-repellent. About 10 ml per m².

Care oil for naturally oiled, waxed and lacquered furniture surfaces indoors. Water-repellent, deeply penetrating impregnation. Tested for migration behaviour in accordance with DIN EN 71, Part 3. Colourless to slightly yellowish. Apply thinly with a clean, soft cloth in the direction of the grain or structure. Test furniture surfaces not treated with LEINOS products on an inconspicuous area first. Do not treat polystyrene plastic surfaces with LEINOS Furniture Polish.

Drying Time

Dries in approx. 6–12 hours. Ventilate the room while it dries.

Coverage

Approx. 10 ml per m² — about 1,076 sq ft per litre. One 0.25 litre bottle covers about 25 m² (roughly 270 sq ft).

Pack Size	Coverage
0.25 l	approx. 25 m ² (approx. 10 ml/m ²)

Tool Cleaning

Clean tools and cloths with LEINOS Thinner 200.

Storage

Store cool, dry and tightly closed. Unopened, it keeps for at least 2 years.

Disposal

Dispose of contents and container at a suitable recycling or disposal facility.

Technical Qualities

Soaks into the finish instead of sitting on top

Water-repellent once dry

For oiled, waxed and lacquered furniture

Linseed, tung and castor oil, no wax

Approx. 10 ml per m²; dry in approx. 6–12 hours

Composition

Linseed oil, Wood oil (tung), Castor oil, Natural resin ester, Isoparaffins, Driers.

The maximum content of Volatile Organic Compounds (VOC) in this product is 550 g/l. It complies with the European VOC standard, which allows a maximum of 700 g/l (Category "f", EU Directive 2004/42/EC).

Safety Recommendations

May be fatal if swallowed and enters the airways (GHS-08). If swallowed, call a poison centre or doctor immediately; do NOT induce vomiting. Keep locked up and out of reach of children.

Cloths soaked in the oil can self-ignite while it is still curing. Keep them in an airtight metal container or in water, then dispose of them.

Repeated exposure may cause skin dryness or cracking.

Natural raw materials may give a typical odour. Wear approved respiratory protection when spraying.

Technical Standards

DIN EN 71, Part 3

Furniture Polish 910

Care oil for oiled, waxed and lacquered furniture indoors. Wiped on thin with a soft cloth, it soaks into the finish and leaves it water-repellent. About 10 ml per m².

Application Instructions

Suitable substrates: Oiled furniture, Waxed furniture, Lacquered furniture.

Not suitable for: Polystyrene plastic surfaces, Outdoor furniture — it is made for indoor surfaces, Floors — use Floor Milk 920 or Oil Refurbisher 285.

Dust the surface and wipe it clean and dry.

Shake the bottle carefully before use.

On furniture not finished with LEINOS products, test an inconspicuous spot first. Never use on polystyrene plastic.

Apply thinly with a clean, soft cloth along the grain, approx. 10 ml per m².

Let it dry for approx. 6–12 hours.

Coats & recoating: A care product, not a build coat: one thin wipe is the job. Care again when the surface starts to look dry or dull.

Tools: Clean, soft cotton cloth, A second cloth for dusting.
